PROGRAM DESCRIPTIONS

Healthy Heart Trail Walk	Staying active is a healthy life choice and what better place than in a beautiful state park. Trails are the heart of our park system and we hope you will make them part of your regular exercise routine. Make sure to wear comfortable clothes and sturdy shoes; bring water and insect repellent. Children must be accompanied by parent/guardian. Meet at the Trail head in the Otter River Campground between campsites 55 & 56.
Craft Center	For all ages! Join the Park Interpreter for a fun nature craft in the craft center! Children must be accompanied by a parent or adult guardian.
Kidliedoscope Kids	Join the Park Interpreter for a nature story on various topics followed by a short walk and a nature project/craft. This program is for children ages 3 – 6, however siblings of all ages are welcome. All children must be accompanied by an adult or parent.
Evening Stroll	Meet at the Nature Center for an evening stroll to learn about the history of Otter River, explore the campground at twilight, and identify some of the plants and wildlife. This program is suitable for all ages. Bring insect repellent and wear comfortable shoes.
Pond Adventures	Like to play in the water? Meet the Park Interpreter at the beach and be prepared to get wet! Find out about the critters that live in the water at Otter River. Dress to get wet, shoes optional!
Otter River Nature Center	Want to see a critter skull or check out a bug up really close? Have you ever looked through a field guide? Maybe you'd like to sit down with a great nature story book! The Otter River Nature Center has something to see and do for all ages, including adults, so why don't you drop by? All children must be accompanied by an adult.
